

## Cluj-Napoca International Airport Information:

[http://www.airportcluj.ro/index.php?set\\_lang=en](http://www.airportcluj.ro/index.php?set_lang=en)

### Travel from Airport to Hotels by taxi:

1. **Arrangement directly with the hotel:** In this case you will be charged more than twice (about 60 RON, i.e. 16 EUR) because the taxi driver will come first to the hotel's reception to take the order and after that to the airport. Probably he will have to wait until you claim your luggage (1 EUR/30 minutes of waiting). Advantage: you do not have to change money and the hotel will charge your room. PLEASE MAKE THE ARRANGEMENT DIRECTLY WITH THE HOTEL.
2. **Arrangement with the local organizing committee:** For those of you that previously asked support from *local organizing committee*, one of the members will wait you at the airport. We have so far requests for:
  - **September 2:** at flight ROT408 from Milan (12.55pm)
  - **September 3:** at flights ROT 641 from Bucharest (10.05am), MA864 from Budapest (3.40pm), V3 2372 from Timisoara (3.55pm), ROT 647 from Bucharest (6.15pm) and ROT 426 from Barcelona (9.10pm).
  - **September 4:** at flight MA864 from Budapest (3.40pm)
3. **No previous arrangements:** I gathered the following information in case you prefer to travel on your own with no previous order.
  - The new arrival terminal is in use since June 1, 2008. In case you need to change money you should exit and take right 100 meters to the old departure terminal (the new one is still under construction).
  - The ATMs (cash machines) from Banca Comerciala Romana and Banca Transilvania accept VISA, VISA ELECTRON, MASTERCARD and MAESTRO. Note that they do not accept American Express.
  - There is one banknote exchange machine accepting USD, EUR, CHF and GBP.
  - Please have the name and the address of the hotel printed.
  - Pick up only taxis that have a distinct sign "TAXI" (usually in between RED and GREEN lights). Also you should identify the name of the company. Some good companies having the following short phone numbers:
 

Atlas:	+40-264-969
Diesel Rapid:	+40-264-946
Diesel Taxi:	+40-264-953
Nova:	+40-264-949
Pritax:	+40-264-942
Pro Rapid:	+40-264-948
Terra & Fan:	+40-264-944

- The cost is the same for each company: 1.79 LEI/km (about 0.48 EUR/km). From the airport to Opera Plaza hotel is about 30 RON (Romanian Lei), i.e. 7 EUR.

### **Travel from Airport to Hotels by bus:**

There is a bus No.8 which is very cheap (1.50 LEI one way ticket). Timetable is given at: [http://www.airportcluj.ro/index.php?section=1&page=4&subpage=49&set\\_lang=en](http://www.airportcluj.ro/index.php?section=1&page=4&subpage=49&set_lang=en). However I did not see the place where you could buy the ticket (the driver does not sell tickets), so I do not recommend you as a first option.
